Desired Leverage

2000 : 1

Please refer to the terms below before applying for 2000:1 leverage:

1. Your account equity cannot exceed 20,000 USD (or equivalent in other currencies) at the time of application.
2. The account leverage will be switched to 1000:1 if your account equity exceeds 25,000 USD (or equivalent in other currencies).
3. Leverage limits may vary in accordance to the applicable regulations.
4. Please note that the 2000:1 leverage is applicable for these assets: Selected Forex and Gold. The margin for other assets will follow the respective fixed margin requirements and is not affected by the 2000:1 leverage.
